EuroEcho

EuroEcho Imaging is the annual meeting of the European Association of Cardiovascular Imaging (EACVI) representing members around the world with interest in all modalities of cardiovascular imaging.

This year the meeting was held in Leipzig, Germany during the period 7-10 December 2016.

The above photograph shows some of the Sudanese cardiologists who attended the meeting, from left to right: Dr Saad Subahi, Dr Osman, Alsayed, Dr Safa MH Al Tayeb, Dr Sahar Al Fadil, Dr Abdelrahman Gameel and Dr Hiba.
