Dear Respected Readers

It is my pleasure to welcome you to a new edition of Sudan Heart Journal.

This edition is rich with scientific papers and editorials. Clinical trials conducted in different hospitals and interesting case reports.

I would like to urge authors and reviewers to login to our user friendly website(www.sudanheartjournal.com) for online submission of manuscripts and review the submitted articles.

Hope you would enjoy and benefit from the material presented

Dr Elbagir Elbasheer
